#1,
 What I remember without checking the records.
 \$35,000 to you to buy Skin Medica Stock
 \$50,000 to buy cool touch (from the second 100,000, 1/2 for me and 1/2 for you I didn't want any profit on your 50,000)
 \$20,000 not long ago, you signed a note
 \$50,000 later, you asked for a note and I sent one but never received a copy back.
 \$50,000 Yesterday.
 Do you remember these, anymore?

when will you get your patient records from Fitz?
